

Retreats are....

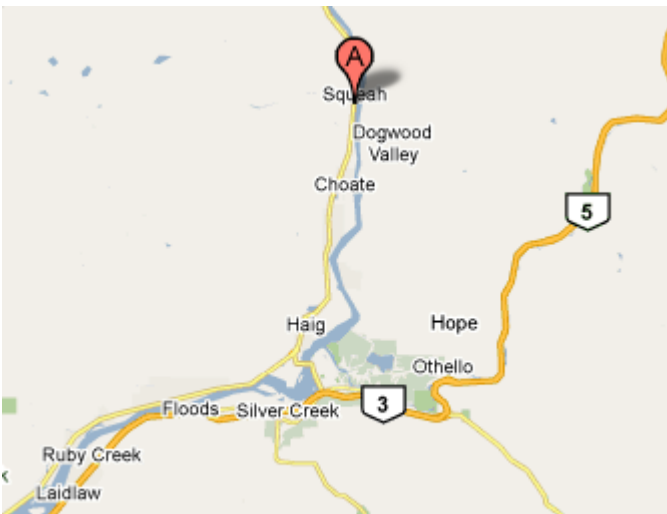

One of the favourite times of the year. A chance to get away from home, from school and spend a whole weekend with friends. Guarantees include good food, good conversations, and a chance to forever change your life.

This year we're going to Camp Squeah, which means we'll have a chance to go rock climbing, wide games, floor hockey, cabins and tons of fun! Just north of Hope, BC, it provides some pretty spectacular views, and great hiking.

Come prepared to meet God, and listen to His will for your life. It's an exciting time!

If you have any questions or comments, feel free to give me a call.
